

## The opulent Majestic Theatre,

built downtown in 1929, is a memorable setting for touring Broadway shows, concerts and the San Antonio Symphony. The neighboring **Charline McCombs Empire Theatre** reflects the beaux-arts grandeur of the 1920s and hosts touring musical acts and other entertainment headliners. The art deco **Alameda Theater**, currently under renovation as part of the Centro Alameda affiliation program with the Kennedy Center, will reclaim its status as the centerpiece of Latino arts, culture, and entertainment in downtown San Antonio. The **Aztec Theatre** is a beautifully restored Meso-American themed masterpiece built in 1926. Today, the facility provides a venue for multi-purpose entertainment and events for the city at large. Throughout the year, LiveNation manages scheduling for the theatre, providing entertainment ranging from private parties to live concerts.
